# On Stage

Emceeing in front of a live audience

uh...
HAHAHAH YOU'RE SO FUNNY, AIDYN!
*runs after*
Oh, the human thinks I'm kidding
I really don't know

Off-stage
Hi, Aidyn—
I...
I...don't know

I'm an odd social hybrid.
My synapses must have been
wired wrong somewhere.
Public speaking doesn't frighten me,
one on one interaction does.

If you ever run into me in person and I
seem standoffish, apalagies.
I forget to hide my anti-social tendencies.
